Application for Health Coverage & Help Paying Costs

	0	Use this application to see what coverage choices you qualify for	 Free or low-cost insurance from Medicaid, FAMIS or Plan First If you are not eligible for Medicaid or FAMIS you will be referred to the Federal Health Insurance Marketplace for affordable private health insurance plans that offer comprehensive coverage to help you stay well and may include a new tax credit that can immediately help pay your premiums for health coverage. You may qualify for a low-cost program even if you earn as much as \$106,000 a year (for a family of 4).
KNOW	8	Who can use this application?	 Use this application to apply for anyone in your family. Apply even if you or your child already has health coverage. You could be eligible for lower-cost or free coverage. Families that include immigrants can apply. You can apply for your child even if you aren't eligible for coverage. Applying won't affect your immigration status or chances of becoming a permanent resident or citizen. If someone is helping you fill out this application, you may need to complete Appendix C. If you are applying for someone other than a spouse or family member under age 21, an authorized representative form (Appendix C) must be completed. If you are age 65 or older or disabled or any age and need assistance with nursing facility or community based care, you need to complete Appendix D.

STEP 2 Tell us about your family.

Who do you need to include on this application?

Tell us about all the family members who live with you. If you file taxes, we need to know about everyone on your tax return. (You don't need to file taxes to get health coverage).

DO Include:

- Yourself
- Your spouse
- Your children under 21 who live with you
- Married or unmarried parents (of a child under 21) living in the home
- Anyone you include on your tax return, even if they don't live with you
- Anyone else under 21 who you take care of and lives with you

You DON'T have to include:

- Your unmarried partner if you don't have children together in the home
- Your unmarried partner's children
- Your parents who live with you, but file their own tax return (if you're over 21)
- · Other adult relatives who file their own tax return

The amount of assistance or type of program you qualify for depends on the number of people in your family and their incomes. This information helps us make sure everyone gets the best coverage they can.

Complete Step 2 for each person in your family. Start with yourself, then add other adults and children. If you have more than 2 people in your family, you'll need to include copies of the Additional Person single page supplement form and attach them. You don't need to provide immigration status or a Social Security Number (SSN) for family members who don't need health coverage. We'll keep all the information you provide private and secure as required by law. We'll use personal information only to check if you're eligible for health coverage.

Renewal of coverage in future years

To make it easier to determine my eligibility for help paying for health coverage in future years, I agree to allow the Medicaid or FAMIS programs or the Marketplace to use income data, including information from tax returns. I understand that I will receive notification of the outcome of my renewal. I understand that I can opt out at any time.

Yes, I consent to the use of electronic income data including information from tax returns to annually renew my eligibility automatically for the next

5 years (the maximum number of years allowed), or for a shorter number of years: Select one

□ 4 years □ 3 years □ 2 years □ 1 year □ Don't use information from tax returns to renew my coverage.

- I'm signing this application under penalty of perjury which means I've provided true answers to all the questions on this
 application to the best of my knowledge. I know that I may be subject to penalties under federal law if I provide false and or
 untrue information.
- I understand that I am authorizing the local Department of Social Service (LDSS) and the Department of Medical Assistance Services (DMAS) to obtain verification/information necessary to determine my eligibility for Medicaid or FAMIS.
- I understand that Medicaid and DMAS contractors may exchange information relating to my coverage with LDSS to assist with application, enrollment, administration and billing services.
- I understand that for individuals enrolled in managed care, a premium is paid each month to the MCO for the person's coverage. If the child or pregnant woman is not eligible for FAMIS, FAMIS Plus, FAMIS MOMS, or Medicaid because I did not report truthful information or failed to report required changes in my family size or income, I may have to repay the monthly premiums paid to the MCO. I may have to repay these premiums even if no medical services were received during those months.
- I know that I must tell the local Department of Social Services within 10 calendar days if anything changes and is different than what I wrote on this application. I can visit <u>www.commonhelp.virginia.gov</u> to report any changes. I understand that a change in my information could affect the eligibility for member(s) of my household.
- I know that under federal law, discrimination isn't permitted on the basis of race, color, national origin, sex, age, sexual orientation, gender identity, or disability. I can file a complaint of discrimination by visiting www.hhs.gov/ocr/office/file.

We need this information to check your eligibility for help paying for health coverage if you choose to apply. We'll check your answers using information in our electronic databases and databases from the Internal Revenue Service (IRS), Social Security, the Department of Homeland Security, and/or a consumer reporting agency. If the information doesn't match, we may ask you to send us proof.

If anyone on this application is eligible for Medicaid

- I am giving to the Medicaid agency our rights to pursue and get any money from other health insurance, legal settlements, or other third parties. I am also giving to the Medicaid agency rights to pursue and get medical support from a spouse or parent.
- Does any child on this application have a parent living outside of the home? Yes No
- If yes, I know I will be asked to cooperate with the agency that collects medical support from an absent parent. If I think that cooperating to collect medical support will harm me or my children, I can tell Medicaid and I may not have to cooperate.

My right to appeal

If I think Medicaid, FAMIS or Plan First has made a mistake I can contact them at **www.coverva.org** or call **1-855-242-8282**. Instructions for filing an appeal will be included on my notice and are also available on the coverva.org website.

If I think the Health Insurance Marketplace has made a mistake, I can appeal its decision. To appeal means to tell someone at the Health Insurance Marketplace that I think the action is wrong, and ask for a fair review of the action. I know that I can find out how to appeal by contacting the Marketplace at **1-800-318-2596**. I know that I can be represented in the process by someone other than myself. My eligibility and other important information will be explained to me.
